

Anna Dan "Dannye" Gardner Boyer
December 18, 1941 – November 17, 2021

Our beloved Dannye passed away peacefully in her sleep on November 17, 2021 after a long battle with Alzheimer's disease. She grew up in Amarillo, Texas, graduated from Texas Tech University, and taught second grade for several years. Dannye was a thoughtful, loving and joyful wife, mother and grandmother. Her two favorite activities were singing and reading mystery novels. She and her husband moved to Littleton, Colorado in 2004 after they retired from Adams State University.

Survivors include her husband of 56 years, Charles G. "Charlie" Boyer, two daughters, Carol Cooley and Rebecca Byers, sons-in-law Ray Cooley and Scott Byers, and six grandchildren: Megan, Brooke, Kaitlyn and Ryan Byers, and Noah and Madeleine Cooley.

A memorial service is being planned at Littleton United Methodist Church. In lieu of flowers, the family suggests contributions to the Alzheimer's Association.
