

ACCIDENT TAKES LIVES OF TWO SAM HOUSTONITES

A fatal pre-Christmas accident claimed the lives of two Sam Houston students, Beverly Lester and Willie Noland.

Beverly was a member of the Ranger Staff, the Dramatics Club, and the choir. She took an active part in all the affairs of the school.

Willie was a member of the football teams, the Ranger Staff, and Los Picaritos. He was president of his homeroom and of Los Picaritos.

These two students were leaders in the activities of the school, and their friendly smiles and willing efforts will be missed by all their many friends and classmates.
